CAROUSEL CLOTHING

"Caring for Our Community"

Carousel Clothing is committed to giving back to our community by supporting various nonprofit organizations who work for the betterment of others. This will be achieved through selecting a nonprofit organization each month and hosting various fundraising efforts.

The criteria for consideration are that the nonprofit group provides community support to help others. We are looking for a variety of organizations such as: food pantries, health assistance, disability help, etc. The location of the nonprofit needs to be in Charles, St. Mary's, Calvert or Prince George's counties.

Carousel Clothing will select one nonprofit organization each month in 2019. We will customize an offer to raise funds based upon the group and time of year. Example, March 2018, Carousel Clothing donated \$10.00 to Catholic Charities for each white dress and suit sold. It will be up to the organization to help publicize the offer to increase participation. If you know of any nonprofits that could use some additional help, please share this information and encourage them to apply!

Thank you,
Lisa Case
